

European Civic Education

Our Mission & Activities

EUROPE DIRECT Network for EU knowledge

We bridge the gap between the EU and its citizens by providing advice, information, and teaching materials.

Workshops

Our interactive workshops illustrate how the EU works and where we encounter it in our everyday lives with all the advantages of the EU citizenship.

Simulation Games

Our up-to-date simulation games give young people the chance to experience European political processes for themselves.

Study Trips

We accompany study groups to EU institutions, EU candidate countries, and organise cross-border meetings.

Discussions

We organise, moderate, and take part in panel discussions on the most pressing issues of our time.

Co-Create Europe

We enable pupils to creatively express their thoughts on EU matters by coordinating the "European Creative Contest".

Legislativity

Our board game makes learning about EU legislation fun and comprehensible.
